Evaluations and comments received from recent events

Brian Wong, MD

Universal agreement that Dr. Wong's presentations were outstanding. Feedback referred to him as inspiring, engaging, motivating, knowledgeable, and thought-provoking.

He was relevant, practical, and humorous in conveying a powerful message.

-Connecticut Hospital Association

Developing the S.W.O.T. analysis was very helpful in review of current state and where the Medical Group needs to go in the future. Dr. Wong is an excellent communicator, and engaged all in the discussion.

-HSHS Medical Group

Excellent Message! Wish we had many more of our leaders and physicians to be able to hear this. Dr. Wong was very credible, sincere, passionate and humble.
